

YOUR PARTNER FOR A HEALTHY HOME

LUX WATERGUARD

Pure Water - Pure Health

SINCE 1901

We all are aware of the importance of a **safe** access to **clean** water every day.

The new **Lux Waterguard** gives you the optimal solution. The next generation water purifying system from the well-known Swiss company Lux International. This product provides you not only with pure water but with **healthy water**. The Waterguard is based on the exclusively patented **5 stages purification technology** to ensure that **your water is absolutely pure, fresh and healthy**.

The Lux Waterguard 5 stage filtration system

1 **STAGE 1 - SEDIMENT FILTER**
To remove eventual physical impurities.

2 **STAGE 2 - CARBON FILTER**
Natural coconut shell carbon filter to remove chlorine excess and organic impurities.

3 **STAGE 3 - HD RO MEMBRANE**
To remove all particles up to 0.0001 micron.

4 **STAGE 4 - UV LAMP FILTRATION CHAMBER**
To remove virus and bacteria.

5 **STAGE 5 - TASTE ENHANCER**
To ensure a fresh and tasty water.

MINERAL  **GUARD**

RO + UV

MEMBER
